

# COLOR CODE

*2-Day Seminar*

March 11 & 12, 2018 • 9 am - 5pm

*Study the hairs' philosophy, along with the foundation of color in theory and formulation. Partnered with color demonstrations, hands-on workshops and fun games, this seminar provides an opportunity to experience the simplicity, high performance and beauty of Davines color! Learn the foundational knowledge of color theory and implementing it for predictable color formulations.*
