* Lunch is not included.

Driven by the love of a good challenge, New Jersey's Gina Watkins has pursued every opportunity the beauty industry has placed in her path. She has received advanced education in cutting, styling and color techniques, and maintains a particular affinity for men's barbering and the challenge of color correction. Gina eagerly soaks up knowledge, skills, and new techniques, constantly updating her personal cache of industry information to provide her clients with the latest looks.

*Purchase your ticket today! Space is limited to 16 stylists in the afternoon.
