HIGHLIGHTS FROM JOSEPH'S BIO: Joseph is right at home in the fashion and editorial worlds, working as an in-demand published editorial and session hairstylist. Working alongside top designers at New York Fashion Week, the seasonal trends he creates for the runway are also the foundation for much of his education curriculum. Joseph is also a frequent flyer in the truest sense of the word, travelling to style hair on location for editorial projects and photo shoots that are published frequently in famed fashion magazines globally.

Independent. Authentic. Dedicated.
