CHINA DUKES

Originally from Kalamazoo, Michigan, Healing Artist China Dukes was pursuing a degree in Public Relations when she discovered that hair design was her true calling. Since then, China has seized every opportunity to grow her knowledge, technical skills, and in-salon savvy.

Active in Social Media, her work has been spotlighted online through Modern Salon, Beauty Launch Pad, and Donna Bella Hair Extensions. As a new resident of Frankfort, Illinois, nothing feels more like home than China's family at Fuse Salon, a L'ANZA Healing Center. Behind the chair she loves a color correction challenge, creating beautiful Balayage designs, and making every client their own masterpiece.
