NEUMA National Design Team Artist

Reggie Pamatong

Reggie's career began 10 years ago in Southern California with Toni and Guy Salon Team. He then moved to teach in their Academy division to all levels of hairdressers and joined their artistic team participating in events, photo shoots, and advanced education. His passion for education led him to explore haircutting as an art form. Reggie is now a NEUMA National Design Team member since early 2014. In this short amount of time he has traveled all across the U.S. teaching advance haircutting, creating seasonal collections, platform work, editorial work all for NEUMA. When he's not busy behind the chair or on the road with NEUMA, Reggie finds time to reach out to the homeless. Providing them with supplies, haircuts and love with the group YOU FIRST PROJECT. Reggie is a definite rising star in our industry.
