MASK COLOR

MASK *with* VIBRACHROM

Innovative permanent cream-based colouring system using Vibrachrom™ technology that is unprecedented in the cosmetics world, giving hair intense conditioning power and extraordinarily shiny, long-lasting colour, by penetrating more evenly into the hair structure. Flexible, easy-to-use system with low ammonia smell ideal for covering white hair, reflect changing, darkening or lightening up to three levels. PPD and parabens free.

THE VIEW

YOUR UNIQUENESS
MOVES THE WORLD

VIEW is the new demi-permanent color with an acidic pH that offers extraordinary shine and volume to the hair. Formulated to respect people and the environment, using ingredients of 88-93% natural origin, being 95-99% biodegradable.
