**Kameron Hancock**  
@kamistylist

Kameron joins L'ANZA Healing Haircare with 10 years of exceptional industry experience. From hairstylist, salon manager to salon owner, he comes with a world of knowledge.

From Bryson City, NC he specializes in hair color and is certified in L'ANZA Color. He enjoys creating a kaleidoscope of prismatic rainbow hair color because life is too short, and you need to express yourself.

When he is not working in the salon, Kameron plays an active role in giving back to his community charities.

As Kameron would say, "EARTH without art is just EH" & hair is free form art with a living canvas.
