Yuko Klann

Davines National Master Trainer, Yuko Klann is an education enthusiast - spending the last 10+ years of her career either immersing herself in learning or sharing her knowledge with her fellow hair professionals. Still regularly seeing clients, Yuko combines substantive salon work with meticulous technique to offer the industry practical training that leads to bespoke, unique, and healthy results. Joining the Davines team ten years ago, Yuko immediately felt a kinship with the brand, and her excitement conveys each time she leads a course. From supporting illustrious platform artists to launching Davines color in North American markets to being a member of the Davines Color Experience Team to being on the National Cutting Team. Yuko's career is full of a myriad of Davines experiences that further cement her admiration of the brand.

Dennis Taylor

Based in Oakdale, Minnesota, Dennis became a part of the National Cutting team in 2022 and became a Davines Regional Master Trainer in 2023. His inspiration comes from light and shapes all around. By contemplating how the play of light changes the way we see color and how different shapes can be incorporated into hairstyles, he aims to deliver beautiful, low maintenance styles for his clients. He was drawn to Davines' commitment to education and sustainability, and he has spent 3 months in India educating salons and stylists on Davines' behalf. As a trainer, his goal is to create a collaborative, flexible, and energetic learning environment. In exchange for his peers' investment of their time, he aims to deliver quality education in both cut and color. He hopes to continue pursuing international education opportunities.
