Charles Gillick

Charles is the proud co-owner of Blu A Color Salon in Valley Park, MO. He opened the salon in 2009 with his wife, Nicole, but his introduction to the industry hails from his family, through generations of barbers and stylists. A love for the craft and the community abounds at Blu, where Charles and Nicole lead a team committed to creating wearable, suitable, fashionable hairstyles for their clients.

Charles draws inspiration from the process behind seemingly effortless creative strokes in music, art, nature, and the talented professionals he's encountered over the years. He was initially drawn to Davines because of the care put into every product and activity and decided to join the team as an educator, later becoming a proud member of the Davines Cutting Team. Professionals describe his classes as easy to follow, welcoming, and friendly. He is proud to provide exceptional education, passing along the lessons he's received to anyone who is willing to learn.

Dennis Taylor

Based in Oakdale, Minnesota, Dennis became a part of the National Cutting team in 2022 and became a Davines Regional Master Trainer in 2023. His inspiration comes from light and shapes all around. By contemplating how the play of light changes the way we see color and how different shapes can be incorporated into hairstyles, he aims to deliver beautiful, low maintenance styles for his clients.

He was drawn to Davines' commitment to education and sustainability, and he has spent 3 months in India educating salons and stylists on Davines' behalf. As a trainer, his goal is to create a collaborative, flexible, and energetic learning environment. In exchange for his peers' investment of their time, he aims to deliver quality education in both cut and color. He hopes to continue pursuing international education opportunities.
