Dennis Taylor

Based in Oakdale, Minnesota, Dennis became a part of the National Cutting team in 2022 and became a Davines Regional Master Trainer in 2023. His inspiration comes from light and shapes all around. By contemplating how the play of light changes the way we see color and how different shapes can be incorporated into hairstyles, he aims to deliver beautiful, low maintenance styles for his clients. He was drawn to Davines' commitment to education and sustainability, and he has spent 3 months in India educating salons and stylists on Davines' behalf. As a trainer, his goal is to create a collaborative, flexible, and energetic learning environment. In exchange for his peers' investment of their time, he aims to deliver quality education in both cut and color. He hopes to continue pursuing international education opportunities.
