

A woman with curly hair and face paint is having small purple flowers placed in her hair by another person. The scene is outdoors with a clear blue sky and dry vegetation in the background. The woman is wearing a pink shirt and has a gold ring on her finger. The person placing the flowers is wearing a blue beaded bracelet. The text "CONSCIOUS BEAUTY BY VOCÊ Haircare." is overlaid on the bottom left of the image.

CONSCIOUS BEAUTY
BY
VOCÊ Haircare.

Better for you Better for the Planet: 45min in Studio get to know VoCê.

Join us for a complimentary virtual class

If you prefer conscious beauty, chances are you've wondered what it is and where to find it. Well, it's here now.

So, let's take a deeper understanding of VoCê Haircare clean products and its 5 key points **SAFETY. SOURCING. SUSTAINABILITY. ETHICS** and **TRANSPARENCY** to conscious beauty.

Who's is the client (**think farm to table**) hair products and how to craft each regime for your guest.

OUTCOME: Talk about being a good influencer share, with your guest about the emerging clean products by VoCê and the new culture of change using the 5 key point to conscious beauty language.

HIGHLY RECOMMENDED FOR: Surprisingly (or not surprisingly), VoCê has one of the strictest guidelines in the U.S professional haircare market — much stricter than those that our government provides — if you are new to Voce Haircare or new to clean beauty get the knowledge of the brand.
